## Autotype Design Club

The Autotype Design Club is a growing family of creative luminaries dedicated to nurturing their craft and mentoring the next generation of designers. Each year we induct a slate of carefully selected members, tell their stories, offer products they have designed, created, or inspired exclusively for Autotype, and fund scholarships for young designers in their chosen disciplines.

## Autotype is a Community for Designers

A platform dedicated to amplifying great design across every creative discipline. Through product, storytelling, and mentorship, we're cultivating a supportive, progressive space where designers can thrive.
